SKYACTIV HIGH FLOW OIL FILTER (UPDATE)***

The SKYACTIV engine oil filter (P/N PE01-14-302) is a unique high flow filter. Installing a conventional engine oil filter may store a DTC.

2012-2013 MAZDA3 SKYACTIV
2013-2014 CX-5 2.0 AND 2.5
2014 MAZDA6 2.5

2011-2013 MAZDA2

NOTE: The Mazda2 engine oil filter (P/N B6Y1-14-302A) looks similar; however, the internal structure is different. Do not use this oil filter on SKYACTIV vehicles.
