Subject: DIRT ACCUMULATION ON SIDE SILL	Bulletin No: 09-044/06
	Last Issued: 11/03/2006

APPLICABLE MODEL(S)/VINS

2007 CX-7 vehicles with VINs lower than JM3ER****7*138083 (produced before September 11, 2006)

DESCRIPTION

On some vehicles, dirt or debris may accumulate on the side sill and get the customer's clothing dirty when they enter or exit the front or rear doors of the vehicle.

1720a

Due to the shape of the rubber seal attached to the side step, dust may easily enter the side sill area and accumulate there.

The shape of the rubber seal has been changed during mass-production.

1720b

NEW TYPE

Customers having this concern should have their vehicle repaired using the following repair procedure.

CONSUMER NOTICE: The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. Mazda North American Operations reserves the right to alter the specifications and contents of this bulletin without obligation or advance notice. All rights reserved. No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical---including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

REPAIR PROCEDURE

1. Verify customer concern.
2. Replace both left and right side steps with modified parts.
NOTE: Side step covers front and rear door side sill areas.
3. Verify repair.
